

Hi!

In this 2-hour unit, you will learn about the "success", and because it is important to us have a personal idea about that.

You must follow an order to complete this unit.

1. First of all, you must go to the exercise "*first of all*" and do it!

2. After that you must watch the John Wooden video. When the video is finished, rewrite your own definition of success if you consider necessary. You have 10 minutes for that. When it's ready, show your definition to your partners, and LISTEN what they think about it.

Ok! For the moment, everything is ok!

3. Now, you must go to the Exercise 2. You have 30 minutes for do this exercise.

4. Ok, it's time to exercise 3. First, see the video, with English subtitles, and after do the exercise.

5. Now, the last one: Exercise 4.

Thank you very much!
